One of the most beautiful girls in "Peep Show" is lovely dancer Mickey Miller.

June Allen does a spectacular dance number wearing a flour sack as a costume.

Todd selected his chorus girls for figure, beauty, talent. Here's Barbara Leslie.

A PEEP AT "PEEP SHOW"

Crazy dance routines, burlesque jokes, and cutie-pie chorus girls garner customers.

SEXY GALS AND SPICY GAGS SPELL BOX OFFICE SMASH FOR MIKE TODD'S BOLD AND BRASSY "PEEP SHOW"

NAUGHTIEST show to hit Broadway in many a season is Michael Todd's brassy "Peep Show." Star of the revue is the all-American girl—and lots of her. Todd has seen to it that his gorgeous, voluptuous ladies of the chorus wear the briefest amount of costume. Gags are provided by the top "burly" comics in the country, whose slightly blue jokes seem to offend few members of the large audience. Unless you've seen "Peep Show," you've probably heard little of the music. The censors figure the lyrics too suggestive for the sensitive American ears. The gals, gags and glamour has paid Todd handsomely. "Peep Show" plays to SRO nightly. Who said girl shows are on the way out?

A behind-the-scenes view of "Peep Show's" chorines. They look good from front, too.

A PEEP AT "PEEP SHOW" CAN BE EYE-OPENING—"CAT GIRL" LILY CHRISTINE

Big moment in the show comes when Lily Christine starts her famous "cat dance."

We're told that off-stage Lily is a home girl who likes to curl up with good book.

Lily is supposed to look like a cat. We're kinda glad she doesn't quite make it.

PROVES THAT THE FELINES HAVE FUN, TOO!

It's also said that Lily's a good cook. We've always liked home cooking, ourselves.

Grand Finale of the cat dance looks very much like the old shimmy, so popular in the Little Egypt days, but this is modern stuff, strictly up-to-date.

SHOWGIRL of the MONTH

BEA FARNUM, luscious blonde dancer, is our selection for the Showgal of the Month. Besides owning the perfect figure—and we really mean perfect—this beauty is also loaded with talent. Though Bea's only been in show business a short time, she's already made a big name for herself in the dance field, and reports have it she'll soon be appearing as star in a musical comedy. A producer was in the club audience one night and saw our showgal dance. He sent a note asking her to audition for a bit part in his new musical. Bea showed up, prepared to dance. Before her turn came she joined in with a gang singing at the piano back-stage. The producer heard her voice—and asked her to sing a few numbers. She did—and is now slated for a role in a new musical comedy.

Lois cleans the overstuffed chair the easy way as Geraldine gives the rug the brush-off. Splitting the household chores makes cleaning fast, simple. Wonder what those keys are hanging on Gerry's belt?

What's My Job?—I Manufacture Weaklings into MEN!

Charles Atlas

Actual photograph of the man who holds the title "The World's Most Perfectly Developed Man."

GIVE ME a skinny, peepless, second-rate body—and I'll cram it so full of handsome, bulging new muscle that your friends will grow bug-eyed! . . . I'll wake up that sleepy energy of yours and make it hum like a high-powered motor! Man, you'll feel and look different! You'll begin to *LIVE*!

Let Me Make YOU a NEW MAN —IN JUST 15 MINUTES A DAY!

YOU wouldn't believe it, but I myself used to be a 97-lb weakling. Fellows called me "Skinny." Girls snickered and made fun of me behind my back. I was a flop. THEN I discovered my marvelous new muscle-building system—"Dynamic Tension." And it turned me into such a complete specimen of MANHOOD that today I hold the title "THE WORLD'S MOST PERFECTLY DEVELOPED MAN."

That's how I traded in my "bag of bones" for a barrel of muscle! And I felt so much better, so much on top of the world in my big, new, husky body, that I decided to devote my whole life to helping other fellows change themselves into "perfectly developed men."

What is "Dynamic Tension"? How Does It Work?

When you look in the mirror and see a healthy, husky, strapping fellow smiling back at you—then you'll be astounded at how short a time it takes "Dynamic Tension" to GET RESULTS!

"Dynamic Tension" is the easy, NATURAL method you can practice in the privacy of your own room—JUST 15 MINUTES EACH DAY—while your scrawny shoulder muscles begin to swell, ripple . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel "alive," full of zip and go!
